INDEPENDENT AUDITOR'S REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION TO THE SHAREHOLDERS OF AFGHANISTAN INTERNATIONAL BANK

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **Afghanistan International Bank** (the Bank) as at **30 September 2023**, and the related condensed interim statement of comprehensive income, changes in equity and cash flows for the nine months then ended, and notes to the condensed interim financial information ('here-in-after referred to as the condensed interim financial information'). Management is responsible for the preparation and fair presentation of this condensed interim financial information in accordance with the requirement of the Law of Banking in Afghanistan and International Accounting Standards 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information is not prepared in all material respects, in accordance with the requirements of Law of Banking in Afghanistan and International Accounting Standards 34 "Interim Financial Reporting".
