INDEPENDENT AUDITORS' REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION

Shareholders Afghanistan International Bank

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Afghanistan International Bank as at 30 September 2016 and the related condensed interim statements of comprehensive income, cash flows and changes in equity for the nine months then ended, and notes to the condensed interim financial information ('the condensed interim financial information'). Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with the accounting framework as stated in note 2 to the condensed interim financial information. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information as at 30 September 2016 is not prepared, in all material respects, in accordance with the accounting framework as stated in note 2 to the condensed interim financial information.

Other Matters

The condensed interim financial information of the Bank for the nine months ended 30 September 2015 and the financial statements for the year ended 31 December 2015 were reviewed and audited respectively by another firm of chartered accountants whose review report, dated 02 November 2015, and audit report, dated 19 March 2016, expressed an unqualified conclusion and unqualified opinion thereon respectively.
